# Claypots Evening Star Set Menu and Function Options

The Claypots Evening Star Menu is designed to share and our set menu is the best way to sample it

We can cater your celebrations with fabulous seafood, good value wines and live music in a casual bar environment

Claypots Evening Star- South Melbourne Market offers flexible open spaces with outdoor areas, impromptu seating and congregation around a kitchen/bar, the focal point of any good party

In fact, inspiration behind the design of Evening Star was the owner's memories of parties in Melbourne where crowds invariably assembled in the kitchen!

What we find works best is to open a drink's tab to limit which you may choose and a fixed menu which fits your requirements.

Please Note:

- \*WE DO NOT TAKE BOOKINGS UNLESS IT IS FOR A SET MENU
