We post from there our events calendar, music gigs, menu changes and daily seafood info, as well as our hopes & concerns.

Party Bookings

At Evening Star we can cater for your celebrations with fabulous seafood, good value wines and live music in a casual bar environment.

Claypots Evening Star - South Melbourne Market offers flexible open spaces with outdoor areas, impromptu seating and congregation around a kitchen / bar; the focal point of any good party. In fact one inspiration behind the design of Evening Star was the owner's memories of parties in Melbourne where crowds invariably assembled in the kitchen!

What we find works best is to open a drinks tab to a limit which you may choose and a fixed menu which fits your requirements.

You can discuss options with our staff or email us at

enquire@claypotseveningstar.net

*"...May the elements of nature blend fortuitously.
May all your sorrows be compensated by greater joys.
May you prosper in equal measure to your generosity.
May all you touch and kiss return to you in manifold.
And may you engage life with all your might."*

- Renan Goksin, on behalf of Evening Star
